

Mt St Helens Chapter After Action Report

In July many of our members enjoyed the activities and good food at the D-Day Pig Roast in Sandy, Oregon. We always have a great time and have lots of fun with the veterans and families.

August 2nd we held our annual picnic. It was enjoyed by all attending. We are fortunate to have a beautiful setting at the home of Tony & Debbie Bostwick for our picnic. Their home is situated on the Nisqually River in McKenna, Washington nearby Ft Lewis. They make us feel very welcome each year.

In the future the Mt St Helens Chapter and the Oregon Cascade Chapter will be joining together in all our activities. We will be sending out an Events Calendar for the 2009 year soon.

We are sad to report that Al Viste's wife Willamary (Vicky) Viste passed away July 18th after a long illness. Members of the chapter attended her service at Tahoma National Veteran's Cemetery. We will miss Vicky very much.
